

# FUMC Summer Discovery Camp

Join us this summer as we discover together how much fun summer camp can be. Along with the weekly theme there will be art, music, chapel, our new innovators lab, playground, and gym time each week. Students will also have walking field trips each as we discover our community. Water fun and a trip to the movies will be weekly events also. Summer will be a blast at FUMC Summer Camp.

Apply online at

[www.lagrangefumc.org](http://www.lagrangefumc.org)
