## **Jesus Is On the Loose!**

*“The Lord has risen indeed, and has appeared to Simon!’ Then they told what had happened on the road, and how he was known to them in the breaking of the bread.” (Luke 24:34-35)*

A few years ago, Bishop Mike Coyner (a Bishop in our United Methodist Church) shared an experience he had while leading a children’s moment during worship in which he was talking with the children about Easter. He asked *“What did it mean that the tomb was empty?”* And without missing a beat, one of them replied enthusiastically *“It means that Jesus is on the loose!”*

Mike takes it from there: *“That child was right. Easter is not about worshipping a Risen Christ who is captured in our stained-glass windows, or in our wonderful choir cantatas, or in beautiful Easter lilies, or even in dynamic sermons proclaiming ‘Christ is Risen!’ No, Jesus cannot be contained in our celebrations of Easter. He is on the loose! He is out ahead of us! He is already leading the way into new life. In fact, the message of Easter seems to be, ‘You just missed him. He was just here, but he is gone already.’ What do we do with such a Jesus? He won’t stay long in any one place. He is always moving on to the next place of need.*

*I heard a story a few years ago about a church that voted to open its doors to a homeless shelter. This caused quite a controversy in that staid, respectable, religious congregation. In fact, one woman who opposed the idea confronted her pastor in great anger by yelling, ‘If Jesus knew you were letting those dirty people into our church, he would roll over in his grave!’ She had missed the whole point of Easter: Jesus isn’t in his grave. He is on the loose. And he is leading us to do ministry in hard places, with difficult people, in circumstances that are not easy.....*

*So, let’s take time to celebrate Easter. But then let’s hurry on to try to catch up with Jesus, because he’s still on the loose!”*

[--Bishop Mike Coyner, cited in the newsletter of Trinity-on-the-Hill UMC (Augusta, GA) April 20, 2001]

My prayer is that wherever you find yourself this Spring, you would remember that Easter is not a holiday on a calendar but a spiritual event that should impact and guide all that we do and say as his followers. Despite the reality of sin, turmoil and evil in our world, Jesus is still “on the loose”, working in the lives of those who will claim him. Is he “on the loose,” in YOUR life?

Remember, God loves you and I do, too!

Pastor Brian

Our annual Easter Lily recognition is enclosed in this issue of *The Flame*. This is a listing of all those who are remembered and honored with an Easter lily.

If you placed an Easter lily in the church and indicated you wanted to take it with you, please do so after The Bridge Service or after the 11:00 Sanctuary Service.

*Thank you,

## Soup Kitchen Anniversary

Easter Sunday, 1988, Jane and I were attending our first church service as a married couple. We had been married for 8 days and were thrilled to be back at

LaGrange FUMC. Dr. Gil Watson

was preaching with his usual flair and drama. Then he made a big announcement. Gil told the congregation of a plan to begin a Soup Kitchen. There was lots of murmurs and later found out, lots of opposition to this idea. In spite of opposition, Soup Kitchen began and has been going strong for 30 years.

Soup kitchen is so much more than what we know. We were the first continuous soup kitchen here in LaGrange. FUMC was a trailblazer. We offered it once a week, then twice, three times and now back to twice. Since our start, other downtown churches have gotten on board. A few years back, a couple of servant scholars from LaGrange College, who were volunteering at our Soup Kitchen at the time, had the idea of sponsoring a soup kitchen of their own. With the help of the Broad Street Church of Christ, they began a Friday soup kitchen which continues today. Every week day a person can get fed here in LaGrange. We ask few questions; we just feed people if they are hungry. That's what we started 30 years ago, and that to me is a great legacy for this church.

That Easter Sunday, 30 years ago, I had no idea that I would have the privilege of working here at First Methodist and doing such worthwhile work such as the Soup Kitchen and the other local missions with which I work. I am truly blessed to do so. Our Soup Kitchen is about more than just feeding the hungry. We strive to make FUMC an open, inviting place. We treat people with dignity. We don't judge. We don't tell folks what they are doing wrong. What we do is welcome and do our best to make sure they know that our doors and hearts are open for them.

Soup Kitchen, Meals on Wheels, or Community Care would not be possible without the many volunteers who make the programs run. These are the unsung heroes in my eyes.

People come and give of their time and efforts and many times it is a thankless job. They know how much I appreciate them, and I know the church as a whole does also. They are the people who make this work and have been doing so for 30 years.

All of this is to say, while we don't do it very often, I think we as a church, deserve a pat on the back. Thirty years of anything is an accomplishment; thirty years of feeding folks is something of which to be proud. Let's take a moment for that pat...that's enough. Let's get to work on the next 30 years.

—Rick Free, Director of Food Services

## Stephen Ministry

continues to assist individuals in need of a Christian friend to walk beside them on a difficult road. In addition, the Stephen Team assists with Communion at assigned times, supports the Grief Ministry by delivering books 2 through 4 of

*Journeying Through Grief* (pastors deliver book 1), and assists with Lay Visitation-if needed. The program has purchased 2 books on cancer care that are now in the Resource Center for your benefit as needed. On March 17th, a group from our Church, LaGrange College, and Warren Temple UMC, attended a Stephen Ministry half day workshop in Peachtree City. If God calls, not only will a second class of Stephen Ministers begin, but new programs will be inspired! Lastly, Hank Dobbins has graciously accepted the call to train as Stephen Leader. He will attend the August session in Pittsburg. In short, our Team has been busy!

These last two years in Stephen Ministry have truly been life changing for me. Our FUMC team has formed strong bonds of love and respect that has enriched my life tremendously. We have known the rewards of seeing people get better as Christ's love and healing were shared. Lest you think we are all serious and dull, we have laughed! I have often said that anyone in the hallway outside of the Pairs and Spares Classroom as we trained would NEVER think work was happening in there. We have broken bread together. Through all our experiences in this ministry, we have grown in Christ as we always sought to keep Him at the center—the heart—of all we undertook. I treasure the friendships we have forged as we studied and worked together, and the spiritual growth that has taken place.

Thank you, FUMC, for making this possible; and for supporting us with your prayers, your participation, and your monies for training and other materials.

Remember, anyone can refer themselves or others to this ministry. Our work is strictly confidential. Our ministers love to serve. Contact information is available on cards in the pews, in *The Flame*, and on the website.

## 50th Wedding Anniversary Celebration Calling all couples who have been married (to the same person) for 50 years!

If you **have celebrated or will celebrate** your 50th wedding anniversary anytime in 2018, please call or email the church office at 706-884-4635 or

[churchoffice@lagrangefumc.org](mailto:churchoffice@lagrangefumc.org)

We want to make sure you are in the 50th Wedding Anniversary Group and celebrate with you on Sunday, June 10th, at the 11:00am Worship Service.

There will be a luncheon after the worship service in the Fellowship Hall. Everyone needs to call or email the church office by Thursday, June 7th, to make your meal reservation.

## Children's Ministry

If you are around on Wednesday nights, you've probably seen the sweet smiling faces, heard the laughter from the playground, and may even have tasted some of the cookies that our youngest members have made and given out. We have been blessed with amazing kids, and our group seems to grow each week. At the beginning of the school year, we had only a few children in the program, and now we have close to 20 on Wednesday nights.

On Sundays we offer nursery, Sunday school, and Children's church. Recently I wrote an article telling of the improvements to our nursery facilities, policies, and the inclusion of a prayer team. Starting this month, we will also have a lesson (very short) each week in the nursery.

Not only are we offering regular opportunities to worship, grow, and learn about the Lord and FUMC, we also offer the chance for our community children to connect with us through our Summer Camp, Community Easter Egg Hunt, Fall Carnival, Nativity Festival, and new summer special events.

We have a lot going on! As the body of Christ we each have different talents. I'd love to see everyone of you become a ministry partner with our Children's program. Our children need YOU!!!! With growth comes the need for more people. Each Sunday I need two people in Sunday school and two in Children's church. We currently have a great paid staff in nursery. On Wednesdays we need at least two people and could really use three.

Serving is doing things for others out of love. It's about setting a good example for others with our kindness, obedience, and humility. We have been blessed with some great volunteers, but we need more; we need you! I will find a place for you to serve; you just need a willing heart. Let's see what God can do with our Children's Ministries program when we step out in faith.

I believe, together with our Lord, great things will happen.

Please call or email me today; let's have lunch or coffee together! You are important and can help! Our children are important and need your help. Let's talk about a ministry that suits your talent, time, and the needs of our children's ministries program.

## New Bible Study

When Jesus was asked about which commandment was most important, His response was that we are to **Love God** completely. He followed that with a second commandment: **to love our neighbors as we love ourselves.**

Later, Jesus raised the bar on how we are to love

when He added a new commandment: we are to **love one another as He has loved us.** Together, we might consider these three commandments, which are simple to understand, but far from easy to obey, as "the Love Commandments."

Join us for a 5-week study on Wednesdays, April 11th – May 9th, from 6:00 – 7:30 pm, in the Small Dining Room, led by Dr. Greg McClanahan.
